PURPOSE: Douglas County has called for a referendum for a TSPLOST to be placed on the November 5, 2024 ballot. The County and the municipalities need to enter into an Intergovernmental Agreement to provide for how the funds collected through the Transportation Special Purpose Local Option Sales Tax will be distributed amongst the local governments and the purposes for which the funds may be used.

I have attached a proposed Intergovernmental Agreement which sets forth the proposed distribution of Special Purpose Local Option Sales Tax proceeds. You will note that the City of Villa Rica will receive 5.04% of all sales tax proceeds received within Douglas County.

STAFF RECOMMENDATION: Staff recommends that the Council approve the execution of the Intergovernmental Agreement between the City, Douglas County and other municipalities in Douglas County with regard to the distribution of Transportation Special Purpose Local Option Sales Tax.

MOTION: I move to approve the Intergovernmental Agreement for Transportation Special Purpose Local Option Sales Tax within Douglas County as attached to this cover sheet.

WHEREAS, Part 1 of Article 5A of Chapter 8 of Title 48 of the Official Code of Georgia Annotated (the “Act”) authorizes the imposition of a special district mass transportation sales and use tax for the purpose of financing certain transportation purposes; and

WHEREAS, the Board of Commissioners of Douglas County, Georgia (the “Board of Commissioners”) has determined that it is in the best interest of the citizens of Douglas County that such sales and use tax (the “TSPLOST”) be imposed within a special district co-extensive with Douglas County (the “Special District”) to raise the sum \$_____ for the purposes described hereinbelow; and

WHEREAS, Douglas County, Georgia (the “County”) has concluded that at least 30% of the estimated revenue from the proposed tax is to be expended on projects consistent with the state-wide strategic transportation plan prescribed by O.C.G.A. § 32-2-22(a)(6); and

WHEREAS, it is necessary to submit to the qualified voters of the County the question of whether or not the TSPLOST should be imposed; and

WHEREAS, on _____, pursuant to the procedures set out in O.C.G.A. §48-8-262(a), the County conducted a meeting at which designated representatives of the County, the City of Douglasville, City of Villa Rica, and the City of Austell (collectively, the “Municipalities”) met and discussed the imposition of the TSPLOST, the distribution of TSPLOST proceeds and possible projects and purposes for inclusion in the proposed referendum; and

WHEREAS, prior to giving notice of the meeting with the Municipalities, the County determined that a majority of the governing authorities of counties within the Atlanta Regional

Commission of Georgia have not passed resolutions calling for the levy of a tax under Article 5 of Chapter 8 of Title 48 of the Official Code of Georgia Annotated; and

WHEREAS, the County has determined that it is not a “metropolitan county special district” as described in O.C.G.A. § 48-8-269.7(b); and

WHEREAS, the County has entered into or will enter into, prior to the call for election, an intergovernmental agreement (the “Intergovernmental Agreement”) with the Municipalities, a copy of which is attached hereto as Exhibit A, complying with the requirements of O.C.G.A. § 48-8-262(b).

NOW, THEREFORE, the Board of Commissioners of Douglas County, Georgia, hereby resolves as follows:

A. Imposition of TSPLOST. Assuming the question of imposing the TSPLOST is approved by the majority of the voters of the County voting in the election hereinafter referred to, the TSPLOST shall be imposed at the rate and for the maximum amount, purposes and estimated costs thereof, and the maximum period of time for which the TSPLOST may be imposed as follows:

1. In order to finance the purposes described herein, the TSPLOST at the rate or in the amount of one (1%) percent on all sales and uses in the Special District is hereby authorized to be levied and collected as provided in the Act.

2. The proceeds of such TSPLOST are to be used to finance the projects and purposes described in Exhibit B attached hereto and made a part hereof by this reference (the “Projects and Purposes”) and to pay the general obligation debt that may be issued in conjunction with the TSPLOST as described below. The Projects and Purposes and the approximate costs of each are set forth in said Exhibit B.

3. The approximate cost of the Projects and purposes, which shall also be the maximum amount of the net proceeds to be raised by the TSPLOST, is \$_____.

4. The TSPLOST is imposed for a maximum period of time of six (6) years.

B. General Obligation Debt.

1. Assuming the question of imposing the TSPLOST is approved by a majority of the qualified voters of the Special District voting in the election hereinafter referred to, the County is hereby authorized to issue its general obligation debt (the “Debt”) in conjunction with the TSPLOST, in an aggregate principal amount of up to \$_____. The proceeds of the Debt, if issued, shall be used to pay all or a portion of the costs of such of the Projects and Purposes as the Board of Commissioners shall determine (the “Bond Projects and Purposes”), capitalized interest for such period as the Board of Commissioners shall determine, and the costs of issuing the Debt. The Debt may be issued in one or more separate issuances or series. A portion of the proceeds of the TSPLOST will be used for repayment of the Debt (and interest thereon), if issued, and the portion of the proceeds of the TSPLOST not used for the repayment of the Debt (and interest thereon) will be used to pay costs of Projects and Purposes or portions of Projects and Purposes not funded with the Debt, in the manner provided by the Act.

2. The maximum interest rate or rates which such Debt is to bear is ____ percent (____%) per annum. The Debt would be repayable during the period of receipt of the TSPLOST or within three months after the last scheduled receipt. The debt service on the Debt would not exceed \$_____ in any year.
3. The proceeds of the Debt shall be deposited by the County in a separate fund or account as is consistent with the laws of the State of Georgia.
4. The TSPLOST proceeds received by the County for the Projects and Purposes in any year pursuant to the imposition of such tax shall be deposited in a separate fund or account and be first used to satisfy the debt service requirements on the Debt for any such year before such proceeds are applied to any of the other purposes authorized above. Proceeds of the TSPLOST received by the County in any year not required to satisfy the debt service requirements in the Debt for such year may be applied toward funding the Projects and Purposes to the extent such Projects and Purposes have not been funded with Debt proceeds.
5. The Board of Commissioners hereby determines that the proceeds of the collection of the TSPLOST in each year will be sufficient to pay the principal and interest of the Debt which may come due and payable in each year.
6. Any brochures, listings or other advertisements heretofore or hereafter issued by the Board of Commissioners or by any other person, firm, corporation or association with the knowledge and consent of the Board of Commissioners shall be deemed to be a statement of intention of the Board of Commissioners concerning the use of the proceeds of the Debt and such statement of intention shall be binding upon the Board of Commissioners with respect to the expenditure of the proceeds of such Debt or interest received from the investment of the proceeds of such Debt, to the extent provided in Section 36-82-1(d) of the Official Code of Georgia Annotated.

NOW THEREFORE, in consideration of the premises and undertakings hereinafter set forth, it is agreed by and between the County and the Municipalities as follows:

Section 1. Representation of the Parties. Each party hereto makes the following representations and warranties which are specifically relied upon by all other parties as a basis for entering into this Agreement:

(a) The County agrees that it will take all actions necessary to call an election, to be held in all the voting precincts in the County on November 5, 2024, for the purpose of submitting to the qualified voters of the County for their approval, the question of whether or not a TSPLOST of one percent shall be imposed on all sales and uses subject to the sales and use tax in the special district of Douglas County, as authorized by the Act for up to 24 calendar quarters (six years) commencing on April 1, 2025 for the purpose of funding specified Projects (hereinafter more fully referred to and defined), and whether or not the County shall be authorized to issue general obligation debt in the principal amount of \$_____ to finance certain Projects. The amount of money to be raised by the TSPLOST is estimated to be \$_____.

(b) The Municipalities are legally chartered municipal corporations as defined by law and judicial interpretation and are each a “qualified municipality” as such term is defined in the Act. During a public meeting of its governing board, each conducted in compliance with the Open Meetings Act, O.C.G.A. § 50-14-1, et seq., each of the Municipalities validly approved the execution of this Agreement.

(c) The County is a political subdivision of the State of Georgia created and existing under the Constitution and laws of the State. During a public meeting conducted in compliance with the Open Meetings Act, O.C.G.A. § 50-14-1, et seq., the County approved the execution of this Agreement.

(d) It is the intention of the County and the Municipalities to comply in all respects with O.C.G.A. § 48-8-260 et seq., and all provisions of this Agreement shall be construed in light of O.C.G.A. § 48-8-260, et seq.

Section 2. Conditions Precedent. The obligations of all parties under this Agreement are conditioned upon the following prior events:

(b) The approval of the TSPLOST by a majority of the voters in the County voting in the election (for those purposes) to be held in accordance with the provisions of Section 48-8-263 of the Act.

(c) This Agreement is further conditioned upon the collection of TSPLOST revenues

by the State of Georgia Department of Revenue and its transfer of the same to the County.

Section 3. Rate of Tax; Estimated Amount; Effective Date and Term of the Tax. The TSPLOST, subject to approval in an election to be held on November 5, 2024, shall be imposed at the rate of one percent (1%). The total estimated dollar amount is \$_____ (before deduction of collection fees by the State of Georgia Department of Revenue and management expenses by Douglas County), which shall be the maximum amount to be raised by the TSPLOST. The maximum period of time for which the tax may be imposed is six years, beginning on April 1, 2025.

Section 4. Effective Date and Term of This Agreement. This Agreement shall commence upon the date of its execution and shall terminate upon the latter of:

The parties acknowledge and agree that at least 30% of the estimated revenues are being expended on Projects that are consistent with the Statewide Strategic Transportation Plan as defined in O.C.G.A. § 32-2-22(a)(6).
- (c) All Projects and Purposes described herein shall be funded from TSPLOST proceeds as provided in this Agreement, and as specified in Exhibit A. (c) All TSPLOST proceeds shall be maintained by the County and each Municipality in the separate accounts or funds established pursuant to this Section. Except as provided in Section 7, TSPLOST proceeds shall not be commingled with other funds of the County or the Municipalities and shall be used exclusively for the purposes detailed in this Agreement. No funds other than TSPLOST proceeds shall be placed in such accounts.

Section 7. Procedure for Disbursement of TSPLOST Proceeds.

(a) Upon receipt by the County of TSPLOST proceeds collected by the Georgia Department of Revenue, the County shall promptly deposit said proceeds in the County TSPLOST Fund. The figures set forth herein are binding and not subject to change or modification except upon written agreement by all parties. The County, following the deposit of the TSPLOST proceeds in the County TSPLOST Fund, shall, within 10 business days, disburse the TSPLOST proceeds due to each Municipality according to subsection (c). The proceeds shall be promptly deposited in the separate funds established by each Municipality in accordance with Section 6 of this Agreement. The monies in each Municipality’s TSPLOST Fund shall be held and applied to the cost of acquiring, constructing, and installing the Municipal Transportation Projects listed for that Municipality in Exhibit A.

(a) All parties to this Agreement shall promptly move forward with the acquisition, construction, equipage and installation of the Projects in an efficient and economical

manner and at a reasonable cost in conformity with all applicable laws, ordinances, rules and regulations of any governmental authority having jurisdiction over the Projects.

(b) The governing authority of the County and the governing authority of each of the Municipalities shall comply with the requirements of O.C.G.A. § 48-8-269.5(a)(2), which requires that certain information be included in the annual audit of the County or each of the Municipalities. During the term of this Agreement, the distribution and use of all TSPLOST proceeds deposited in the County TSPLOST Fund and each Municipal TSPLOST Fund shall be audited annually by an independent certified public accounting firm. The County and the Municipalities agree to cooperate with the independent certified public accounting firm in any audit by providing all necessary information. Each Municipality shall provide the County a copy of its annual audit.

(c) The governing authority of the County and the governing authority of each of the Municipalities shall comply with the requirements of O.C.G.A. § 48-8-269.6, which requires the publication of annual reports concerning expenditures for the Projects.

(d) The County and Municipalities agree to maintain thorough and accurate records concerning receipt of TSPLOST proceeds and expenditures for each Project undertaken by the County or respective Municipality as required to fulfill the terms of this Agreement.

Section 9. Completion of Projects.

(a) The County and the Municipalities acknowledge that the costs shown for each Project described in Exhibit A are estimated amounts.

(b) If a County Project has been satisfactorily completed at a cost less than the estimated cost listed for that Project in Exhibit A, the County may apply the remaining unexpended funds to any other County Project in Exhibit A.

(c) If a Municipal Project has been satisfactorily completed at a cost less than the estimated cost listed for that Project in Exhibit A, the Municipality may apply the remaining unexpended funds to any other Project included for that Municipality in Exhibit A.

(d) The County and the Municipalities agree that each approved TSPLOST Project associated with this Agreement shall be completed or substantially completed within six years after the termination of the TSPLOST collection period. Any TSPLOST proceeds held by a County or Municipality at the end of the six-year period shall, for the purposes of this Agreement, be deemed excess funds and disposed of according to O.C.G.A. § 48-8-269.5(f)(2).

Section 10. Certificate of Completion and Termination. Within thirty (30) days after the acquisition, construction or installation of a Municipal Project listed on Exhibit A is completed, the Municipality owning the Project shall file with the County a certificate of completion signed

by the mayor or other chief elected official of the respective Municipality, setting forth the date on which the Project was completed and the final cost of the Project.

Section 11. The County Debt.

(a) The TSPLOST election ballot shall contain language required by the Act for the authorization of general obligation County debt in the principal amount of up to \$_____.

The County may use the proceeds of its debt for the purpose of funding County Projects, paying capitalized interest (if any), and paying the cost of issuing its debt. The County acknowledges that it is solely responsible for the payment of its debt, including any and all costs, interest, and fees associated therewith.

(b) The County's debt shall be paid first from the proceeds of its portion of the TSPLOST. In the event that there are insufficient TSPLOST collections to pay the debt from its portion of the proceeds, the County shall pay any shortfall attributable to the debt from its general fund (the "Debt Service Payments"). The County covenants that, in order to make the Debt Service Payments when due from its general funds to the extent required, it will exercise its power of taxation to the extent necessary to timely pay any amounts required to be paid hereunder and it will make available and use for such payments all taxes levied and collected for that purpose together with funds from any other source. The County further covenants and agrees that in order to make funds available for such purpose, it will, in its general revenue, appropriation, and budgetary measures whereby its tax funds or revenues and the allocation thereof are controlled or provided for, include sums sufficient to timely satisfy such Debt Service Payments that may be required to be made from the general funds, whether or not any other sums are included in such measure, until all payments so required to be made shall have been made in full. The obligation of the County to make any payments that may be required to be made from its general funds shall constitute a general obligation of the County and a pledge of full faith and credit of the County to provide the funds required to timely fulfill any such obligation.

(c) In the event for any reason such provision or appropriation is not made as provided in the preceding paragraphs, then the fiscal officer of the County is hereby authorized and directed to set up as an appropriation on its accounts in the appropriate fiscal year the amounts required to timely pay the obligations which may be due from the general funds. The amount of such appropriation shall be due and payable and shall be expended for the purpose of paying any such obligations, and such appropriation shall have the same legal status as if the County had included the amount of the appropriation in its general revenue, appropriation, and budgetary measures, and the fiscal office of the County shall immediately make such Debt Service Payments to the paying agent for the debt if for any reason the payment of such obligations shall not otherwise have been timely made.

(e) The obligation of the County to make Debt Service Payments and to perform and observe the other agreements on its part contained in this Section 11 shall be absolute and unconditional. Until such time as the principal of and interest on the debt shall have been

paid in full or provision for the payment thereof shall have been made, the County (a) will not suspend or discontinue any payments provided for herein, (b) will perform and observe all of its other agreements contained in this Agreement, and (c) will not terminate this Agreement for any cause, including, without limiting the generality of the foregoing, failure to complete any Project, a defect in any Project, or any failure of any other party to this Agreement to observe, whether express or implied, any duty, liability or obligation arising out of or connected with this Agreement.

(f) The County will be responsible for all facets of the debt issuance and repayment process. The County will select the underwriter, bond counsel, local counsel, etc. The County will endeavor in good faith to be fiscally responsible in minimizing to the extent possible the costs and fees with the debt issuance process.

Section 12. Expenses. The County shall administer the County TSPLOST Fund to effectuate the terms of this Agreement. Furthermore, the County and the Municipalities shall be jointly responsible on a pro rata basis for the cost of holding the TSPLOST election. The County shall be reimbursed for the Municipalities' share of such costs.

Section 13. Default. The failure of any party to perform its obligations under this Agreement shall constitute an event of default.

Section 14. Liability for Noncompliance. The County and the Municipalities shall comply with all applicable local, State, and Federal statutes, ordinances, rules and regulations. In the event that any Municipality fails to comply with the requirements of the Act (O.C.G.A. § 48-8-260 et seq.), the County shall not be held liable for such noncompliance. No consent or waiver, express or implied, by any party to this Agreement, to any breach of any covenant, condition or duty of another party shall be construed as a consent to, or waiver of, any future breach of the same.

Section 15. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

Section 16. Governing Law. This Agreement and all transactions contemplated hereby shall be governed by and construed and enforced in accordance with the laws of the State of Georgia.

Section 17. Severability. Should any provision of this Agreement or application thereof to any person or circumstance be held invalid or unenforceable, the remainder of this Agreement or the application of such provision to any person or circumstance, other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Agreement shall be valid and enforceable to the full extent permitted by law.

Section 18. Entire Agreement. This Agreement embodies and sets forth all the provisions and understandings between the parties relative to the Projects. There are no provisions, agreements, understandings, representations, or inducements, either oral or written, between the

parties other than those hereinabove set forth. Any and all prior provisions, agreements, contracts or understandings, either oral or written, between the parties relative to the Projects are hereby rescinded and superseded by this Agreement.

Section 19. Amendments. This Agreement shall not be amended or modified except by agreement in writing executed by the governing authorities of the County and the Municipalities.

Section 20. Notices. All notices, demands or requests required or permitted to be given pursuant to this Agreement shall be in writing and shall be deemed to have been properly given or served and shall be effective on being deposited or placed in the United States mail, postage prepaid and registered or certified with return receipt requested to the addresses appearing below, or when delivered by hand to the addresses indicated below:

PURPOSE: To file a joint application with Douglas County Transit to the State of Georgia Department of Transportation for the use of a traffic signal at the intersection of Liberty Road and I-20 EB On-Ramp. Douglas County will incur the cost of the traffic signal; however, the City of Villa Rica will be responsible for the future electricity costs.

BACKGROUND: Douglas County asked for Villa Rica to support the signalization of the intersection of Liberty Road and the I-20 Eastbound On- Ramp. The Georgia Department of Transportation will not issue a traffic signal permit to Douglas County until the City of Villa Rica signs the attached application. The attached application is essentially a document that says that the City of Villa Rica will pay for the electricity for the signal. Douglas County will continue to maintain all traffic signals that belong to Villa Rica but are in Douglas County. The Board of Commissioners have approved SPLOST funding to pay for the labor and equipment to install the traffic signal.

STAFF RECOMMENDATION: Staff recommends approval of this request for traffic signal.

PURPOSE: Acceptance of Park Ridge Dr. as a Public Road

BACKGROUND: Benchmark United put Park Ridge Dr. in approximately thirty (30) years ago when Ingle's shopping center was developed. MOTION: I move to accept Park Ridge Drive as depicted on Exhibit "A" including the public improvements, being the street(s), together with all drainage and utility structures, fixtures and equipment lying on, over, or under said roads; and authorize the Mayor to execute the Resolution Authorizing Acceptance of Road and For Other Purposes.
